

Pay your subcontractors on time

Their livelihood depends on it.

If you do Commonwealth funded building work, you are likely to be covered by the Code.

Here is your security of payment checklist.

You must:

- Report any payment disputes or delays to the ABCC.
- Make payments in a timely manner.
- Resolve disputes reasonably, timely, cooperatively.
- Document and follow your dispute settlement process.
- Not coerce or pressure subcontractors regarding payment.
- Comply with any adjudication determinations.

At the ABCC, we'll help you meet your obligations. We regulate the *Code for the Tendering and Performance of Building Work 2016*. The Code has strict rules about security of payment.
